Attorney Docket No.: Q90107

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application citing such documents, together with an English-language version (if not already included) of at least that portion of the Communication indicating the degree of relevance.

Applicant attaches a copy of a Notice of Opposition from the European Patent Office, dated January 26, 2009. The Notice lists documents previously submitted to the USPTO on September 27, 2005 and February 16, 2006; the documents are available in PAIR for the Examiner's review. U.S. Publication No. 2002/179464 (now U.S. Patent No. 6,591,982) is listed on the attached Form SB08a.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The statutory fee of \$180.00 is being charged to Deposit Account No. 19-4880 via EFS Payment Screen. The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. .
